Hi Scott,

This is the best the house has ever looked. The cobblestone now truly looks like a major feature, which it is; now due to all the new color tie-ends.

And, that garage door made a perfect match, and the whole house changed. Magic happened!

And, we have you to thank for this. You put on a beautiful new roof, got us a great painter, and worked with the insurance company, to get us more money for the much nicer roof. I know you worked hard. So did your crew and painter. Thank you.

Thanks again!
Bari and Judy Sanger
