

TO WHOM IT MAY CONCERN:

We were very pleased with the professional dedication and responsiveness of GreenPoint Roofing for our roofing project in Boulder, CO. The recommendations the company offered us during the planning phase was invaluable in our material selection; the scheduling and delivery phase was timely and the on-site supervision was impeccable. GreenPoint anticipated all of our questions and addressed all concerns expeditiously. They kept us informed throughout the project by frequent/timely communications.

GreenPoint Roofing carried through on all commitments and their workmanship was of the highest standard. A job well done.

Regards,

Woody & Eleanor
Boulder, CO
