

TORCH AWARD WINNER!

Better Business Bureau serving Denver and the Front Range -
Small Business Category Winner

The 14th Annual Torch Awards, hosted by the BBB serving Denver/Boulder, and honoring Colorado's most ethical business and nonprofit organizations, was a night filled with enthusiasm, anticipation and honor. Infinity Park Event Center provide the perfect backdrop for such a special event. Belen De Leon, 9News meteorologist emceed the program and Reggie Rivers, former Bronco, author and media personality, provided the keynote address. A special highlight of the evening was the recognition of all previous Torch Award Winners in attendance. Previous Torch Award Winners in attendance were; A Master's Hand, Advanced Audiology Inc., Brother's Plumbing, Heating & Electricity, Champion Windows, Community Shares of Colorado, Core Contractors, Family Tree, Inc., FORTRUST, Omni Financial,

Safehouse Progressive Alliance for Nonviolence and Swingle Lawn, Tree and Landscape Care.

Each year, all completed Torch Award entries go through a comprehensive vetting process before moving on for review by a panel of judges, comprised of neutral third party business owners and community professionals. This panel analyzes each entry for their ethical standards and practices, reputation, marketing, advertising, management practices and training programs. The semi-finalists move on to the interview stage with the judges, and the finalists and winners are announced the night of the Torch Awards Event. It is a long and thorough process and all semi-finalists should be congratulated!
